- Service Adventure Trips
- One hour/week session with personal advisor who supervises Extra-Curricular activities which include:
 - Reading: 5 hours/week
 - Physical Exercise: 5 hours/week
 - Personal Expertise/Independent Study: 3-5 hours/week
 - Service Projects: 2-5 hours/week
- Tuition: \$7,000/year (financial aid possible)

EFL high school teaches us how to really live our life and how to enjoy it. Besides that, it also teaches us the theory subjects. For me it is filled with love, calmness, and friendship. I think of my teachers as my best friends who teach me new things. I try to be a better person in my life every single day, and this is all because of them. M.M—online student
