

21 days of lockdown.

That's a lot of time on your children's hands ... and yours.

Announcing the launch of *Camp Mukunda!*

- A daily assortment of arts and crafts; music and movement; stories and dramatics (ranging from silly to spiritual); children's yoga; nature; life skills ...
- And “how-to’s” like writing announcements, news, blogs, and poetry; interviewing family members to help compile a family history; working with our individual learning style; “thinking outside the box”; and planning outings and vacations.
- Plus games, challenges, contests, and celebrations.

Let's turn lockdown into let's go!
